Experience

Hospital Chaplain

HCA North Florida Hospital Gainesville FL 2022 - Present

Memorial Hospital Jacksonville FL 2021 - 2022

- Enhancing emotional and spiritual well-being for patients, families, and medical staff through dedicated chaplaincy support, effectively managing a range of sensitive situations including end-of-life care and hospital emergencies.
- Fostering inclusive religious services and support, collaborating seamlessly with healthcare teams to ensure holistic care.
- Impactful patient care and advocacy focusing on patient-centered care, skillfully assessing needs without intruding on personal decision-making, while ensuring accurate and confidential documentation, contributing to enhanced patient care and privacy.
- Continuous professional growth and compliance pursuing professional development in chaplaincy care, keeping abreast of latest practices and maintaining strict adherence to hospital protocols, thereby elevating the standard of chaplain services offered.
- Support initiatives in delivering extensive care, including meal provisions and material aid, significantly contributing to the comfort and support of patients and families during challenging times.

Associate Pastor

Voice of Joy Word Ministries Present

- Rescue Mission Team spiritual support and guidance, positively impacting individuals in crisis situations.
- Hospital Visitation Team leadership - enhancing patient experience and emotional wellness through empathetic chaplaincy services, contributing to the hospital's holistic care approach.
- Community Service engagement with strong commitment to community welfare through active participation in food drives and support for housing initiatives.
- Employment training leadership in job training and placement initiatives, empowering individuals with essential skills and opportunities for employment.
- Mentorship for diverse groups dedicated to personal development of both adults and youth through one-on-one mentorship, positively influencing lives across different age groups and backgrounds.
